Your chart at a glance

TYPE	Manifesting Generator. You have a Generator's consistent Sacral energy with a Manifestor's directness attached to it. That combination tends to move in several directions at once and to skip steps other people take in order.
STRATEGY	Wait to respond, then inform. The response comes first, as with any Generator. The informing is the Manifestor half: telling people before you move, because your movement lands on them whether or not they were expecting it.
AUTHORITY	Sacral. Your Sacral responds in the moment and it responds in the body, before language arrives. It is a yes or a no that shows up as energy rising or going flat, rather than as a conclusion you reasoned your way to.
PROFILE	2/4 — Hermit / Opportunist. The second line is natural at something and largely unaware of it. It needs time alone for that to work, and it tends to be called out of that solitude by other people rather than by its own plans. The fourth line works through the people it already knows. Opportunity arrives through that network rather than through strangers, which is why the network itself is the thing being tended.
WHEN IT'S ON TRACK	The feeling is satisfaction. The day's energy went somewhere it belonged. It is a bodily settling rather than a thought about how things went.
WHEN IT'S OFF TRACK	The feeling is frustration. Energy went into something it was not met by. It shows up when action started before there was anything to respond to.

FREE TO READ, EITHER WAY

Every word on page 2 is explained in The Human Design library, and the drawing on page 1 in “Reading your bodygraph.” Both are free: thechampagnemethod.co/library/human-design and thechampagnemethod.co/library/bodygraph.

IF YOU WOULD LIKE MORE THAN THIS CHART

The reading contains all twenty-six activations with the planet behind each, and the written interpretation. What you have already paid comes off the price, and the link in your email is what proves it — so opening this from there means the credit is already applied. Nobody pays twice for the same thing.
